ROCKINGHAM COUNTY DELEGATION

CONCORD, January 29, 1929.

Pursuant to a call for a convention of the Rockingham County delegation, duly advertised and announced by the Speaker, the delegation assembled at Room 156 at 1.30 P. M.

A quorum being present, Chairman Cilley at once opened a hearing on House Bill No. 184, an act relative to the maintenance of the bridge over the Exeter River on the New Hampshire College highway. Mr. Carlisle, of Exeter, for the County Commissioners explained that the highway is the direct route to the New Hampshire University, and that the bridge should be taken over by the state. He believed that there would be no objection.

On motion of Mr. Rutter, duly seconded, it was voted to report the bill to the House with the recommendation that it ought to pass.

The matter of the transfer of a piece of real estate at the rear of the county building in Exeter was next taken up. Chairman Cilley called Mr. Rutter, of Derry, to the chair, while he explained the matter, which was a slight modification of the action taken by the delegation in 1927, whereby the Congregational Church of Exeter was deeded a small piece of county land in order to enable the church to build on a necessary addition to its building.

The County Commissioners being present expressed approval of the project. The motion of Mr. Cilley, duly seconded, was then voted, as follows:

1. That the action of the Rockingham County Convention, taken March 30, 1927, authorizing the County Commissioners to sell and convey a small tract of land in Exeter specifically described to the Congregational Parish in Exeter be rescinded and annulled.

2. That the County Commissioners be authorized to sell and convey to the Congregational Parish in Exeter, at a price to be determined by said commissioners, and on condition of the granting by said parish to said county of a perpetual right of way on Parish land wide enough for vehicle travel, a certain tract of land, situate in said Exeter (being a small parcel of the court house lot), bounded and described as follows:

Beginning at a stone at the southwest corner of the lot known as the Court House lot near Front Street in said Exeter, thence running northerly, as the fence now stands, seven and thirty-five one hundredths feet (7.35 feet) to an iron pin; thence turning and running parallel with the rear wall of the church edifice, south 81 degrees, 31 minutes east eight feet (8 feet) to an iron pin, which iron pin is sixteen feet distant from the corner of the Court House; thence turning southerly and running south 7 degrees, 41 minutes west ten feet (10 feet) to the lot line dividing the properties of the Congregational Parish and the county to an iron pin; thence running westerly along said lot line nine and seventy-five one hundredths feet (9.75 feet) to the stone post begun at, in accordance with the plan and survey made by Engineer John W. Durgin in October, 1928, which is hereby made a part of the description—and that a majority of the County Commissioners of the said County of Rockingham be authorized, in behalf of and in the name of said county, to sign, seal, acknowledge and deliver a good and sufficient deed of said tract of land. The blue print of said plan is made a part of the record and filed as such.

The usual method of making up the budget of appropria-

tions was adopted and a committee of five was appointed by the chair to confer with the County Commissioners and assist in drafting the budget for 1930 and 1931. The committee appointed is as follows: Henry G. Durgin, Henry P. Haynes, Thomas E. Fernald, Ralph L. Hett, Herbert Ray.

An invitation was extended by Mr. Carlisle for the delegation to visit the County Farm at Brentwood on Monday, February 11. The invitation was accepted and the chairman will arrange for transportation.

Voted to adjourn.

## Commissioners' Report

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Rockingham County herewith present the annual reports of the county commissioners, clerk of the Superior Court, sheriff, solicitor, superintendent of the County Farm and House of Correction, farm physician, farm chaplain, and auditors for the year ending December 31, 1929.

The year of 1929 has not been an especially eventful one in the history of Rockingham County affairs, but the usual good work has been carried on.

At our County Farm at Brentwood, the management has been under the care of Superintendent and Mrs. Stiles. During the first part of the year there was quite an epidemic of influenza at the farm, but otherwise the general health of the inmates has been about as usual.

Rev. Mr. Brewster, who for many years has acted in the capacity of chaplain, was obliged to resign that position, owing to removing to another field, and this was a great disappointment to the inmates, as he had endeared himself to all. However, Rev. Wallace S. Boardman was chosen to fill his place and has conducted the services and administered to the spiritual needs of the inmates during the last year.

In August the Farm Bureau and Pomona Granges held their annual Field Day at the farm, and the day was enjoyed by all the inmates. Music on the lawn was furnished by the DeMolay Band of Portsmouth, ball games enjoyed, and several able speeches made by representative men.

The sewerage at the farm, being in somewhat of a sad state, a septic tank was established during the year to take care of this trouble, for which an especial appropriation was provided at the last session of the legislature.

All other property, belonging to the county, both in Portsmouth and at Exeter, has been well kept up; although no extraordinary repairs were held necessary.

The bridge, known as the county bridge, situate between Newfields and Stratham, was obliged to have considerable spent on it, owing to the damage done by the ice to its piers, during the early spring, but this expense was shared equally between the state and the county.

The county commissioners hold a meeting every Wednesday at the farm, and also on Friday at the office of the commissioners in the Portsmouth Court House, where they are always glad to welcome anyone interested in the county work, and an especial invitation is extended to the selectmen of the various towns to meet with them at either session to talk over the work for the best interest of Rockingham County.

Thanking all who have in any way co-operated with the commissioners in their work during the last year,

We remain, very truly yours,

GEORGE A. CARLISLE,  
WILLIAM B. UNDERHILL,  
IRVING W. MARSTON,

*Rockingham County Commissioners.*

## Physician's Report

---

*To the Honorable Board of Commissioners for Rockingham County:*

Another year is closing and it is my duty to render to you a report of the medical affairs and sanitary conditions at the Farm and Hospital.

The past year has broken three records I am sorry to record. First: There has been more sickness than in any of the forty years that I have been connected with the institution. Second: There has been the longest death list. Third: There was the largest number of births, equally lamentable.

Fifteen of the deaths occurred from 12 hours to 17 days from date of admission. Nothing but speedy death could be expected.

In 1918, by strictest quarantine, we did not have a single case of influenza. But in December, 1928, two or three cases were unconsciously admitted and, though isolated as best we could, it spread until nearly all the help and the 140 inmates became infected and the end of many was hastened by it and the usual broncho-pneumonia. During January, February and March the sick list ran from 12 to 20 per day.

We had more children than for years to add to the trouble. Thirteen were in with mothers waiting confinement, four with correction cases, and others for various reasons to 22 at one time.

From these we lost none, though the heroic service of the matron for the first week, and that of a trained nurse for two more, barely saved the worst case.

We appreciate the extra nurses and everything else asked or suggested that your board gave and did for us during this strenuous season.

The matron and all the nurses were completely exhausted when the epidemic was over, having themselves contracted the disease as well performed the extra work in caring for the patients.

We regret to say that Miss Lord, who has served us as head nurse so freely and satisfactorily for seven years, has not yet recovered and is spending the winter in California. We certainly hope she may be able to return to the Hospital in the spring.

Besides all this we have had three fractured hips, eight inoperable cancer cases and the usual sickness and distress common in this class of people.

The general and sanitary conditions are entirely satisfactory.

We are personally under obligation to the superintendent and matron, Mr. and Mrs. Wallace Stiles, for hearty co-operation and many courtesies.

I would also remember and mention their entire staff of assistants.

Very respectfully,

A. W. MITCHELL, M. D.

## Chaplain's Report

BRENTWOOD, N. H., January 3, 1930.

The first three months of 1929 Rev. Thomas C. Brewster served as chaplain, being succeeded in April by the present incumbent.

For nine months the present chaplain has served. Two public religious services have been held each month, on the second and fourth Sunday afternoons. Considerable attention has been given to the service of song, which those attending seem to enjoy. The number of hymn books seems to be limited. The organ, too, needs some attention to put it into good condition. The average attendance at these services has been about 30.

The chaplain has made a number of calls upon the inmates, which they seem to appreciate. He hopes to do more of this in the year 1930. We are glad we have a Gospel that meets the needs of all that are ready to receive its blessings.

Respectfully submitted,

WALLACE S. BOARDMAN, *Chaplain.*

## Solicitor's Report

The solicitor respectfully submits the following report for the year ending December 31, 1929:

The usual three terms of Superior Court have been held within the past year. Associate Justice Oscar L. Young presided at the January term; Associate Justice Henri A. Burque at the April term and Justice Young at the October term.

At these court sessions, grand juries were held. Orel A. Dexter, of Portsmouth, acted as foreman of the January grand jury, while George A. Wood, of Portsmouth, was clerk; Harry E. Philbrook, of Portsmouth, was foreman of the April grand jury and Henry W. Bodwell, of Salem, was clerk; Cecil M. Neal, of Portsmouth, presided as foreman over the October grand jury and Chauncey B. Hoyt, of Portsmouth, acted as clerk.

The following approximate list of criminal actions have been before the Superior Court for disposition and were disposed of as herein explained during the year of 1929:

No. 362 State vs. Earl Davis

J. T. 1927. Ind. Breaking and entering at Epping. Arraigned January 17; plea, not guilty; bail \$300; sureties, Arthur E. Davis, William Burley; February 1, trial by jury; verdict, guilty (William H. Albree, jury foreman); sentence, six months in House of Correction and pay costs of \$46.67. Respondent moves to transfer exceptions; bail, \$700; acknowledgment taken of Earl Davis as principal and Arthur E. Davis, William Burley as sureties. At November, 1928, session of Supreme Court, solicitor filed brief and argued case for State. At December, 1928, session of Supreme Court, the respondent's exceptions were over-ruled. January 21, 1929, mittimus was ordered issued; March 26, 1929, mittimus was returned, which means that just previous to said March 26, the respondent started serving his sentence at said House of Correction. Said respondent, Davis, was pardoned

by Gov. Charles W. Tobey: the solicitor appeared at the pardon hearing in the Council Chamber at Concord in opposition to the proposed pardon.

Nos. 398-399 State vs. Francis Nash

O. T. 1927. Appeals (2) from Portsmouth Municipal Court. Offense: aggravated assault; trial by jury (Harold M. Lane, jury foreman); verdict, guilty in both cases; continued twenty days for sentence and bill of exceptions. Respondent's motion to set aside verdicts denied. At March, 1929, session of Supreme Court, the respondent's exceptions in both cases were over-ruled. March 9, 1929, Supreme Court's findings were received. Soon, thereafter, on Case 399, the respondent was "sentenced to serve one year in jail;" on Case 398, the respondent was "sentenced to serve one year in jail to run concurrently with sentence in No. 399." Immediately after decrees were thus imposed, the respondent started serving his sentences in Portsmouth jail.

No. 464 State vs. Harold U. Burke

A. T. 1928. Ind. Offence: Neglect to support minor children at Portsmouth. Arraigned September 7, 1928; plea, nolo; sentence, nine months in Portsmouth jail; suspended, if he pays his wife \$35 on September 15 and \$12.50 each week thereafter; mittimus to issue upon default of any payment upon call of county solicitor.

No. 485 State vs. John Scribner

A. T. 1928. Information. Offence: Unlawfully transporting intoxicating liquor at Stratham; capias issued June 26; arraigned July 9; plea, not guilty; bail, \$500, surety Sam Shapiro; December 5, 1929, trial by jury; verdict, not guilty (Ralph S. Goodrich, jury foreman). This respondent when taken into custody was riding in an automobile with Conrad Arsenault,—see following companion case, which is

No. 486 State vs. Conrad Arsenault

A. T. 1928. Information. Offence: Unlawfully transporting intoxicating liquor at Stratham. July 9, plea, guilty; sentence: fine, \$100, costs taxed at \$10.90; sixty days in jail,

suspended on payment of fine and costs by July 16; mittimus to issue at call of county solicitor; fine and costs paid.

No. 489 State vs. Charles Carr

O. T. 1928. Appeal from Exeter Municipal Court. Offence: Aggravated assault; arraigned October 23, 1928; reading waived; plea, not guilty; bail, \$500, George W. Carr, surety; January 22, 1929, plea retracted and plea of nolo entered; sentence, fine, \$50 and costs taxed at \$28.63; fine and costs paid.

No. 495 State vs. William Johnson

O. T. 1928. Appeal from Hampton Municipal Court. Offence: Unlawful sale of intoxicating liquor; bail, \$500, surety, Abe Green; arraigned February 15, 1929; plea, guilty; sentence, fine, \$100 and costs of \$21.15 and three months in common jail and stand committed.

No. 520 State vs. Reginald Tuttle

O. T. 1928. Ind. Offence: Breaking and entering and larceny at Nottingham. Capias issued October 19, 1928. Respondent disappeared at about the time this indictment was returned, but in December, 1929, Tuttle was located and taken into custody and is now in Portsmouth jail awaiting arraignment.

No. 536 State vs. William G. Waldron

O. T. 1928. Secret Ind. Offence: Obtaining money under false pretences. J. T. 1929. Arraigned February 25; plea, not guilty; February 25, 26, 27, 28, March 1-4, 1929, trial by jury; respondent's requests for instructions. Trial began 10.05 A. M. February 25; given to jury 2.22 P. M. March 4; verdict returned 5.00 P. M.; verdict, guilty (jury foreman, Thomas O. Moore). Sentence, not less than three years nor more than five years in State Prison and stand committed. March 7, order of committal issued to transfer Waldron to State Prison. March 13, order of committal returned, which signifies that respondent just previous to that date started serving his sentence in State Prison.

No. 538 State vs. (Charles) Alonzo Knowles

J. T. 1929. Appeal from Hampton Municipal Court. Of-

fence: Intoxicated at Seabrook; bail, \$100, surety, Louis G. Rowe; arraigned January 8, 1929; plea, nolo; sentence, thirty days in House of Correction; pay costs of \$12.40; upon payment of costs mittimus not to issue until called for by county solicitor. Costs paid.

O. T. 1929. Ind. Offence: Grand larceny at Portsmouth; arraigned November 4, 1929; plea, not guilty; bail, \$800; November 18, 1929, plea retracted and plea of guilty entered, to taking an automobile without the consent of the owner; November 18, 1929, this case marked continued for sentence; bail, \$500, personal recognizance.

No. 682 State vs. Benjamin F. Whitney

O. T. 1929. Ind. Offence: Breaking and entering and larceny at Rye; arraigned November 4, 1929; plea, guilty; sentence, one year in House of Correction; no costs, stand committed; November 5, 1929, mittimus issued; November 6, 1929, committed; November 6, 1929, mittimus returned.

No. 683 State vs. Richard F. Shiner

O. T. 1929. Ind. Offence: Accessory to burning property (woodlands); arraigned November 21, 1929; plea, not guilty; bail, \$1,000; Thorndike Putnam surety; November 21-22, 1929,

trial by jury; verdict, guilty (Alex Archibold, jury foreman); November 25, respondent's motion to arrest judgment; December 30, transcript.

O. T. 1929. Ind. Offence: Accessory to burning property (woodlands). Note: verdict of guilty in this case and otherwise the same markings as in preceding case.

The above list makes no mention of approximately fifteen cases which were dropped because of good and sufficient reasons. Investigations, with the sheriff and medical referees, were made of various death cases. Many criminal actions were prosecuted in the Municipal Courts throughout the county. A large number of matters were adjusted without any Court action. Advice, whenever desired, has been given to county officers. Account is hereby made of the successful enforcement of the laws relative to games of chance. The Sunday laws concerning moving picture shows being conducted on the Sabbath (admission fees); and offences by juveniles have been investigated and properly disposed of. Violations of the Prohibition Law have been vigorously prosecuted. The solicitor was present with the county commissioners at a hearing relative to a proposed new road in Hampton Falls and thus in an advisory capacity took part in the various proceedings incident to the case.

And once more I am glad to pledge my utmost endeavor to uphold, without fear or favor, each and every law!

STEWART EVERETT ROWE,

(Portsmouth, N. H.)

*County Solicitor.*

Attention is invited to the fact that this report covers only two terms of Court. By Chapter 158 of the Session Laws of 1929, the terms of Court for Rockingham County were changed from three terms to two terms a year. This change

eliminated the term which formerly commenced the first Tuesday of January. The October term will not be finished until February or March.

This change will probably leave a surplus in the appropriations for the Superior Court for the year of 1929 as a part of the salaries, payrolls, etc., and will not be paid until 1930.

Respectfully submitted,

AMOS S. RUNDLETT, *Clerk.*
